### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Arlene Powers on Jan 4, 2006.

The application has been amended as follows:

In claim 15, between the end of line 3 and the beginning of line 4 (after "front wheels:"), the following line has been added:

- - a seat and rear leg portion provided with a pair of rear wheels;- -

In claim 15, line 4, "backseat" has been deleted and - -backrest- - inserted in its place.

These amendments have been made to include the material of previously pending claim 8 in claim 15. The line referring to the seat and rear leg portion was present in previous claim 8 at line 4 thereof, and is needed at least to provide antecedent basis for the seat and rear leg portion terms which appear later in the claims, and "backseat" has been replaced with - -backrest- - for consistency of terminology, which consistency is also supported by previous claim 8 at line 5 thereof.
